Subject: Wonderful Feedback

Here is feedback on the beginning distribution of a container that was loaded out of Piggott, AR and has arrived in Kremenchug, Ukraine. I think you will appreciate Anya's report on the impact that is being made by the church in so many different locations. Brother Jerry Morgan coordinated the collection and loading of this container. Jerry was in Ukraine when this container arrived and helped with the beginning distribution.

To all involved—THANK YOU for your help!

John

Hello John,

Each of the directors of the institutions expressed their high gratitude! (I will mail letters to you like I did before after the hand out is done). I have a list of places where things went:

- 1) Potoki orphanage
- 2) Svetlovodsk orphanage for visual impaired children
- 3) Svetlovodsk orphanage for kids with minor and inactive forms of TB
- 4) Kremenchuk baby orphanage
- 5) Gradizhsk oprhanage
- 6) kindergarten 27 (usual state one, the director is visiting our church and Bible classes!)
- 7) kindergarten for children with disabilities
- 8) Kremenchuk Rehabilitation center for disabled children
- 9) Gadyach baby orphanage (4-5 y.o.)—will be delivered upcoming week.

Churches of Christ receiving things to distribute in community:

- 10) Central congregation
- 11) Michael's congregation (Krukiv)
- 12) Victor's congregation
- 13) Globino congregation
- 14) Komsomol'sk congregation

All orphanages got shoes and clothes and toys. Kindergartens asked for toys. Baby orphanage got baby clothes, blankets, toys. Also orphanages got toothbrushes. Rehabilitation center: wheel-chairs, crutches, walkers, different toys, including special developing ones, and when the wheel-chairs are handed out each kid will get presents that I picked out from the container, it would have different soaps, tooth-pastes and brushes, toys, antibacterial soap, etc, etc, etc

Please, let the people know as well, that everyone enjoyed the things from the container, and people from rehabilitations center were especially grateful for wonderful developing toys and wheel-chairs, it's a really great and tremendous help for the center and each individual. The Church members are also very grateful and they thank all the brethren in the US and you, as well, for the wonderful help.

The things in the container are of good quality and everything is very thoughtful :-) and also special thanks to the lady who did wheel-chairs, the wheel-chairs are great, plus the things she packed inside the boxes are also very very good. she is very thoughtful.

Ok, this is all for now. I'll go sleep like a dog ;-) hehehe

love, Anya :-)
