Dear Sir,

I would like to thank you most sincerely for the humanitarian shipment that you made to Namwianga, Zambia.

You probably have no idea how much that shipment has blessed the people of Kalomo and Zambia. Most of our people struggle with the day to day basic necessity of life. To borrow the words Mrs. Hamby when a container arrives at Namwianga it is like Christmas for most of the people.

To grasp the full magnitude of your generosity you would have to see a little bit of the joys and smiles on people's faces from the few pictures taken by Mrs. Hamby.

On behalf of the people of Namwianga and Kalomo area and on my own behalf, I would like to thank the United States government and all the people involved in the shipment of the humanitarian container and goods to Namwianga, Zambia.

Words alone can never express our deep gratitude and appreciation for this gesture. This Spirit of giving to the needy is what marks the great American people. It is what sets them apart from any other nation on the face of the earth.

We pray and hope that the hurdles experienced in bringing this container to Namwianga may be overshadowed by the relief of suffering and the joy that it brings to the people that do not have much at all.

May God be praised.

Sincerely yours in Christ

Roby Banda
